The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
H-307, The Capitol

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Cayuga County Public Safety Training Center Project in fiscal year 2024. The entity to receive funding for this project is Cayuga County, located at 160 Genesee St., Auburn, NY 13021. The funding would be used for the construction of a public safety training center for volunteer firefighters in the community. The project is an appropriate use of taxpayer funds because it will provide a new up-to-date space to train volunteer firefighters in the community.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S. Code sections 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
CLAUDIA TENNEY
